Dear Madam,

I repeat extremely  
that I am not able  
to do as you so kindly  
wish with regard to the  
proposed paper "The Common  
Citizen" - I shall certainly  
take it up - but I myself  
have never done anything  
in the way of writing,  
so must beg you to excuse  
me -

I am very glad that such  
a paper is to be put out -  
with best wishes

Yours truly  
M. Bouverie
