Dear Miss Ridley

I shall have no objection to taking my share of expenses for a meeting at the Victory Hall but I fear I could not have been there because our housekeeper is ill and as soon as she is able she will go away <sup>and</sup> ~~probably~~ <sup>probably</sup> ~~and~~ <sup>probably</sup> ~~without~~ <sup>going by rail</sup> ~~me~~.  
I have not the time to write large and manage in

52 BELTZER AVENUE

NEW YORK

Meeting - I am sure of  
leaves & see them even  
and with my wish to  
know to form education  
I must not understand  
how they do work

My wife was very very  
pleased me with a fine  
knickerbocker - It was  
much more to do

Just best

Very truly Yrs
