~~Mr. Herbert~~  
Madam,

W. 17

I should be much  
obliged if you would  
inform whether, & if so  
how, I may obtain  
tickets to hear Mr.  
Yawcett on the 25<sup>th</sup>  
at Bloomsbury Chapel?  
I am anxious to ensure  
that several working  
women who know  
little of the subject

should hear her.

Kindly also inform me as to the conditions of membership of your Society. If I had a sheet of paper "I desire to become a member, &c" & obtain a list of names (signatures) and addresses, will that be sufficient? The people whom I have in mind cannot very well afford subscriptions. Three are widows supporting their families - all

striking instances of the injustice of our  
present political system, and the others  
are women who have to earn their  
own living and help other people.

Yours faithfully,

Mary Payne.

P.S. Would a similar list of signatures  
do for membership of Men's League?
