

Ans. 3 cont

Sir

I am obliged by the address of Mad^{me} Henriette Brown to whom I shall write forthwith.

But I wish to have your opinion on another subject. I am very desirous of having at our next Exhibition which will open early in Jan^r 1861. some good figure pictures by French lady artists. I should like to have about a dozen. Could you undertake to procure me these, but they must be very good, of course they

will be for sale and we would
undertake to pay the expenses
of their ~~return~~ passage and delivery
here, also their return if not sold,
can you give me any idea of
what that would cost with your
charges included, I suppose they
could all come in about two
cases. I am thus particular
as our Society cannot at present
afford to incur any very
heavy expense, but still we are
anxious to have some good

beautifull pictures.

Madame Rosa Bonheur has
promised to send us one but that
is our affair entirely and will
not come with the rest do you think
that you could obtain a small
one of Juliette Bonheur, she
is famous for her horses &c.
An early reply will oblige
Sir

Yours faithfully
E. J. Murray.
