Dear Miss Strachey,

I am deeply sorry that  
my committee is unable to  
appoint representatives to sup-  
port you on the platform at  
Queen's Hall on the 28th,  
and so is my committee.  
As a matter of fact there  
will be members of it present  
in their private capacity.

STRAID W.C.

I am sure you will understand that certain elements in the Council's membership are alone the cause of the abstention from overt adherence of the Committee as a whole.

With every good wish for a successful meeting, I am,

Yours faithfully
