Dear Dr. Ker,

Have been sent off to replace
Mr. Parkhurst who is not very well
to above places. I return to London
~~the~~ Friday A.M. Shall expect
you that night — & welcome you,
gladly. Have had to put off
Mrs. Besant 82 Drayton Gardens
5 pm. tomorrow Wed. But as I had
not y^r. letter when I had my address

P.S. Some members tell me my quarters are shadowed by detectives. It does not matter if they are - but be discreet & don't tell your plans unnecessarily to anyone. -
When I wrote to her yesterday,

told her you would probably turn up all the same without me. She is a great & splendid woman - also a dear & human woman. I am sure it wd be a gr. joy to you to have a talk with her. Also we are most anxious she should speak for us at our next Albert Hall meeting. I wrote & proposed this & we were to have talked it over on Wed. Now dear Dr, Ken do so to

her if only to help forward this plan. Another member, of us, who has joined Mr. Desautel's order "Star in the East" is going to her on Thurs: to be "received" into that order & to have her blessing before going on the March 4 Deputation.

My flat (15 Somerset Terrace Duke's R? W.C.) is now empty - so do it before Friday if you like. Write a post card to my servant Mr. Davey
11 Gudsleigh Terrace
Duke's Road W.C.
Tell what day & hour you arrive

Friday or any other day -
otherwise no one to let you in.
I left London in such a
terrific hurry (interviews up to
last minute) I stupidly forgot
tell her your box was arriving
but I will wire to her soon as I
can. There will be such a rush
on Sat. & Mon. I advise you get
into touch soon as possible with
Clement's Inn - get your marching
orders. I shall be able help you on
Sat. Mon. Good luck to you.

Mr. Besant Meeting is Queen's Hall
Sunday 8. Not been able get you a ticket
before I left London. The appointⁿ for
Wed is private, at her house.
Forgive me in train. My love
Can say to you.
