Dear Lord Ouslow

Thank you very much for your kind message. I shall hope to get to the War Office by 12 tomorrow, Monday, as you suggest. I have read a letter from Lord Grey of Falloden on the subject of the scheme for a new book in the Spring, of which I spoke to you some weeks ago; and should like to consult you about it. Lord Grey approves of the scheme. But the question is whether facilities can be given, sufficient to enable me to carry it out. I will bring his letter with me - yours very truly
