15 RAVENSCOURT PARK MANSIONS,

W.

May 18.

Dear Madam,

I am afraid that as

most of our clerks belong
to the W. S. P. U. they would
not have time to do much
for your meeting. If
however you will send me

about 20 bills I will see
that they are distributed
in the Savings Bank to
those likely to be interested.

Miss E. Stirling

Postal Order Branch

Queen Victoria Street

and Miss Sedgfield

A. G. W.

King Edwards Buildings

G. P. O.

would I think do the same work for our own Society
in their Departments.

If you will send them some
bills I will write and ask
them to make the meeting
known.

I am sorry I cannot do
more to help you but we
are overwhelmed with

work for our own Society
and I personally am going
away next week for my
holidays.

Sincerely yours

Dorothy Waseburn
