

Albham
April 23^v

My dear He

Here is some information I have got for you - and in getting it informed myself of things I did not know before! I did not know about my great grand father's unjust will - However that is all ancient history now! I can't find the Becker Family Tree - but I don't know what I could add any thing to it if I could - I can't think where it is =

I have not been able to get over to Easting uph - but will go as soon as ever I can - I don't fancy your father did take any steps about the necessaries I am rather anxious for news of your mother & Lettice - I wrote four times to Naples - Rome - Florence - Paris - but have not heard anything & feel doubtful if they got the letters - I hope they are all right & safe home again -

We expect Molly & Faddy Sat for home

May 13th - It is nice to look forward to!
 Hope Mamma & the family are well.

"Cecilia Mary" must be fitting quite
 a big baby now. I expect Michael is
 very fond of her -

I think "Somerset's Chronicle" is certain
 to have all information about the
 Duncalps. & one could probably
 pick up great-grandfather here -
 also has my grandfather Becker in
 it as marrying Lydia Kaye Leigh.
 It must be in Manchester Reference
 Library - I think if Lattice would
 take the matter up she is more likely
 to make a good job of it than I am
 especially as she can go to Manchester
 so easily to look up these books -

I don't think I have put our own family
 right in order of age.

Your father has written on the back of
 Mr Clemmshaw's photo, that it is
 Sarah Elizabeth Wroe - but it is really
 Mr Clemmshaw. Ed. enlarged the photo
 & printed several copies after Mr C.
 died -

I see I said the Ogden's were no relation
 but among your father's papers there is a
 copy of an inscription on the tombstone of
 Thomas Wroe (who must I think be the
 father of 'Sarah Elizabeth') to the memory
 of his wife Anne Ogden - I don't know
 if the Augusta Ogden my uncle
 Keigh Becker married was any
 relation or not - I fancy not -
 It is not an uncommon name - I never
 heard there was any connection.

We have had Bernard Worthington here
 for Easter - Dick & Molly have been
 at Dorchester - and were often near
 to see us -

Let me hear soon how your mother
 is -

Best love.

Yours
 Aunt Louie.
