

5 South Parker Road

June 14, 1914

AL/1849

Dear Bernice,

We have had a
very tiresome complaint
from the Examiners that
the new Examiners are
disturbed by the way
our students sit in

Their light skirts or
throw their legs. We
do not know where
at fault, but are
bound to warm all.

27. ever.

B. 7. 7.
