Mr Bruce
to me

Nov. 11 - 1910

Mr Strachey

I enclose a letter

from Mr Wallace Bruce

also is the Chairman

of the Com: for Promoting
the Training & Registration

of Medics. - See says

she read. (d was sent

by Mr P. Lawrence 1 - a

article in Votes for Women
altogether on the wrong
track about the Amendment
(Amended, Bill - & has
heard that some notices
also appeared in Common
Cause - also not giving
the correct view.

I asked her to come
to one of our meetings
as Mr. Bruce seems to

think all Suffragists
are anti-men & anti
more things the Suffrage
& Henry explain about
the misconception of this
Bill - she could not persuade
her to do so.
I was for 13 years on
the Committee & know
all the ins & outs - &
of course no one could
say to her a man-made

also
Laws - & women have ^{also} had
their full share of ^{say}
in the amended bill

Also:

I thought I should
like to be the means
if possible of preventing
any misconception &
misstatement about this
at any rate in our
Paper - Would you
