East Indian Railway,

Engineering Department,

Barakur 28th Dec. 1892

My dear Pippa

The usual deed of
darkness this week - too late to
write a letter - I went for
Xmas to Drysdale's where also
Robertson Wrights and Peddie.
Further details next week.

The Director General of Railways
in India is coming up on
Saturday - We are all trembling -
but otherwise flourishing -

y^r. loving
