Dear Madam.

Many thanks for your letter. I

have read the enclosed papers with

deep interest. I wish it were

possible for me to be present at

KILCOCK  
GOOLGARRIGAN.

TELEGRAMS  
ROBERTSTOWN

the Conference you speak of but  
I cannot be in London at that  
time.

I rejoice that there is a body  
of people thinking of, working  
+ praying for this object. I

had no idea there was till after I  
had addressed an audience on the  
subject

Very truly yours

E. P. Pickou - Turbowill
