Dear Lady Frances,

Isn't this 2 L-1 majority magnificent? ?

I must be very interested in the division list - and I find that Lord Salisbury voted with us. I'm sure Lord Grey was very keen. Lord Selborne surprised him self and made a really splendid speech. We had an excellent time also (as L-

the end. But of course Curzon's speech made it quite
certain that we were safe. Lady Lytton got us
the loan of a Can^{el} room at the H of L. so the
whole Can^{el} was there. Mr Strachey & I were inside
the House & Mr S kept running all ^{the} time
to tell our Can^{el} how we were getting on.

Yours ever affectionately
