My dear Mr. Fawcett

If you can spare  
time I should be very much  
obliged for a little light  
on the subject of Miss  
Coyne. Who is her  
mother & her connection  
of 24 M.D. & what does

The man by taking wood  
Mr. McLeven with the very  
opposed an Amendment  
What do you think?

His letter made me  
of indignation. His is  
insolence - I  
cannot understand

This third Committee was  
 sprung from - Is it  
a Castle from now,  
or from Parliament?

It is not fair to give  
to the members of society in  
answer to their queries, but  
there is no one whose  
opinion can be of any

guidance to me, but you -

I have been extremely wd

Mr Lamm to ask for a Return  
of the cases in which Separately

Orders have been given &

refused to which more than  
have been committed of cyfraud

assaults. These with various

trustee magistrates have

been refusing these orders

I believe from British violence

which was the movement

Hewitt
