Dear Pippa,

Leonard says you said you
would come & spend a week end.
Would you come this next week end,
16th, or would you come for
Christmas - Saturday to Tuesday?

Remember, life here is primitive:
very; but it would be very
nice for us to have you. Do if
you will brave it do: & let me
know: & then I'll look up trains.

There not so bad - trains: anyhow
one good one still.
