December 20th 1907.

Dear Mrs Stopes,

Your card of Dec. 5th was laid before the Executive Committee of the London Society yesterday.

In reply to your suggestion that this Society should purchase "The Sphere of Man" for sale to members, I am directed to inform you that the matter has been referred to the Sub-Committee on Literature for report.

Believe me,

Yours truly

Mrs Stopes,  
53 Stanley Gardens, Belsize Park  
Hampstead
