51, THE LAWN, S. LAMBETH ROAD.

7th June 1884.

Dear Professor Wroughton,

My niece, Miss Kate
Fawcett, who happily had
a wonderful escape in the
Railway Accident at Downton,
expresses ~~her~~ so warmly
her sense
of the great kindness
she received from yourself,
students and others connected

with the college that I cannot forbear writing you these few lines as an expression of our sincere thanks. I had to leave Salisbury so soon after the accident, that I was sorry I had not an opportunity of calling at the college to thank you personally. I hear on

all sides of the unbounded kindness which you and all at the College showed to the unfortunate sufferers. I sincerely hope there will be a most searching investigation into the cause of the accident, & especially into the fact that two engines were attached to so light a

train.

Again very sincerely
thanking you,

believe me,

yours very truly,

Henry Fawcett.
