Swynerton

Via Montebello. 114.
Rome 30.
Nov. 15. 26.

Dear Madam,

I have never attended
any meeting of your Society,
such matters being entirely
outside my manner of life &
experience, & I would so much
rather that you did not consider
me as one of the Council, feeling
so entirely useless in that
capacity!

Faithfully yours,

Ann E. Swynerton
