# INDEX

(Note.—In general, articles and statistics referring to individual industries are not indexed separately under the name of the industry concerned. For example, statistics of wages and hours of work, industrial disputes, and industrial accidents and diseases in different industries or groups of industries, appearing in monthly tables, are not indexed separately under those industries but under the subject only. Similarly, proceedings of particular Wages Councils are not indexed separately under the individual industries, but under "Wages Councils" only.)
