NOTE: In general, articles and statistics referring to individual industries are not indexed separately under the name of the industry concerned. For example, statistics of wages and hours of work, industrial disputes, and

accidents and diseases in different industries or groups of industries, appearing in monthly tables, are not indexed separately under those industries but under the subject only.

January (pages 1-40); February (pages 41-80); March (pages 81-144); April (pages 145-184); May (pages 185-224); June (pages 225-272); July (pages 273-320); August (pages 321-360); September (pages 361-408); October (pages 409-456); November (pages 457-496); December (pages 497-544).
