## JANUARY

### Part-timers with potential

Case studies examining the issues involved in higher status part-time working, 9-26

### Clearing the qualifications jungle

A progress report on the development of standards and qualifications, highlighting the benefits for employers, individuals, training providers and the economy, 27-32

## FEBRUARY

### How many small firms?

Findings from a recent study into the number of small firms in the UK and their distribution in terms of employment and turnover size, 47-51

### Three of a kind

How American Express, British Nuclear Fuels plc and the Employment Service are adapting their individual company cultures to meet new business challenges, 53-59

### Registered disabled people in the public sector

The latest quota figures for a wide cross-section of public sector employers 61-64

## MARCH

### The year of working safely

Report on the launch of the European Year of Safety, Hygiene and Health Protection at Work 85-87

### Working arrangements and patterns of working hours in Britain

Findings from a survey conducted in mid-1990, 88-100

### Economic activity and qualifications

Results from the 1990 Labour Force Survey, 101-133

## APRIL

### Results of the 1991 Labour Force Survey

Survey results and comparisons with previous years, 153-172

### Projected trends in the Labour Force 1992-2001

Projections of the civilian labour force in Great Britain 1992-2001, 173-184

### Membership of trade unions in 1990

An analysis of trade union membership based on information from the Certification Officer and the Labour Force Survey, 185-190

### Revised employment estimates for September 1989 to September 1991

Revised estimates of employees in employment and revised workforce in employment figures, 191-198

### Improved measurement of employment trends: the new panel

Second in a series of improvements to national labour market statistics, 199-201

### Earnings of manual employees in October 1991

Estimates of gross weekly earnings to help users of the discontinued annual earnings survey, 202-210

## MAY

### Employers and the flexible workforce

How much do British employers make of flexible labour? Findings from an ED sponsored survey, 225-234

### Industrial stoppages in 1991

Detailed analysis by industry, region, cause and size of dispute, 235-248

### NOMIS - your route to gigabytes of statistics

Everything you need to know about the National Online Manpower Information System, 249-254

## JUNE

### Self-employment: into the 1990s

An examination of the make-up of the self-employed in Great Britain, using detailed data from the Labour Force Survey, 269-292

### Projected trends in the regional labour force 1992-2001

Projections of the civilian labour force in Scotland, Wales and the regions of England, 293-303 (see also 346)

### Retail prices index: updating of weights for 1992

Weighting of the general index of retail prices and the pensioner price indices, 304-306

### Employers and labour flexibility: the evidence from case studies

The second of two features looking at how employers use non-standard labour, 307-315

## JULY

### A Community at Work

A preview of the Employment Department's role during the UK Presidency of the European Council, 335-337

### The National Education and Training Targets - methods for monitoring the targets

How progress towards new qualification targets for the UK workforce is being monitored, 339-346

### Measures of unemployment: the claimant count and the Labour Force Survey

A comparison between the monthly claimant count and the ILO measure of unemployment provided by the LFS, 347-355 (see also 373)

### ED Group statistical surveys: the cost to business

How much does it cost business to complete ED Group regular and one-off statistical surveys? 356-358

## AUGUST

### Training - a key to the future

The extent and nature of training activity in Great Britain, 379-386

### Job creation 1987-89: preliminary analysis by sector

A comparison of job generation in the production and service sectors, 387-392

### Redundancies in Great Britain: results from the 1991 Labour Force Survey

An analysis of redundancies that occurred in Great Britain in spring 1991, 393-399

## SEPTEMBER

**How unemployment is measured in different countries**

An examination of the various methods used to measure unemployment levels and how international comparisons can be made, 421-431

**Women and the labour market: results from the 1991 Labour Force Survey**

How women's family commitments affect their levels of economic activity and employment, 433-459

**At the crossroads**

A look at Devon and Cornwall TEC, 461-463

**Registered disabled people in the National Health Service**

The latest quota figure for National Health Service employees, 465-466

## OCTOBER

**The Quarterly Labour Force Survey - a new dimension to labour market statistics**

Introducing the Quarterly Labour Force Survey and showing how it differs from the former annual survey, 483-490

**The roles of men and women in tomorrow's Europe**

Are the relations between men and women in Europe different from and more egalitarian than those of previous decades and generations? 491-499

**Public employment services into the 1990s**

Reports on the findings of an OECD review comparing public employment services in Japan, Norway, Spain and the UK, 501-506

**Making ethnicity count**

A look at some strategic issues involved in ethnic monitoring, 507-512

**The Restart effect**

How the Employment Service's Restart programme has helped unemployed people, 513-516

## NOVEMBER

**Labour Force Survey (LFS) Help-Line**

A new monthly feature highlighting some requests for Labour Force Survey data dealt with by the Employment Department, 533-538

**Hours of work in Great Britain and Europe: evidence from the UK and European Labour Force Surveys**

LFS estimates of hours of work in Britain and comparison across EC member states of hours worked in 1990, 539-557

**Lone parents and the labour market: evidence from the Labour Force Survey**

Based on findings of four recent Labour Force Surveys, 559-578

**Patterns of pay: results of the 1992 New Earnings Survey**

Some of the main findings of the recently published New Earnings Survey, 579-588

**Quarterly projections of New Earnings Survey results**

Projecting the 1992 results from April 1992 to July 1992, 589-591

## DECEMBER

**International comparisons of industrial disputes in 1991**

A comparison of working days lost in the United Kingdom with corresponding data for other OECD countries, 609-614

**Labour Force Survey (LFS) Help-Line**

Regular monthly feature, 615-620

**Workplace injury: a view from HSE's trailer to the 1990 Labour Force Survey**

Information from the accident and ill-health supplement to the 1990 LFS about the extent of workplace injury, associated absence from work and industries and occupations of highest risk, 621-638
