The large houses are let in tenements by the landlord himself. & these have the poorest families in the street, the rest of street pretty comfortable & stationary the tenement lodgers being migratory. Good houses but overcrowded & people dirty & intemperate always coming & going.

Great many very poor but much of the poverty here is due to drink - women may be seen continually going to & fro with cans & jugs of beer. there is a great deal of disease not only now, but whenever there is an epidemic it always seems to reach this street.
