3. New towns. Houses built for private owners in new towns on sites in which the development corporations have an interest are included in columns 4 and 5 against the name of the local authority or authorities in whose area the new town is situated. The numbers of such houses under construction or completed are also shown separately, in italics, against the name of each new town. Houses built by development corporations are shown in columns 1-3 against the name of each new town and do not appear elsewhere.

4. Boundary changes. Where the boundaries of local authority areas have been altered, houses are shown against the local authority in whose area they are now situated.
