Labour working for you

Spring 2016

Thank you from Mike Sargeant

Mike Sargeant elected as City Councillor for West Chesterton

City Deal—have they been listening?

County Council Officers have been reviewing the input from the City Deal consultation and these are their thoughts, as they move to the next stage.

The good

- No ban on turns for Arbury Road and Gilbert Road
- Single bus lane only — at the approach to junctions
- Segregated cycle lanes
- Trees and green landscaping throughout the route

Still under discussion

- Closing off Union Lane
- Modifying or removing the Highworth Avenue roundabout
- Removing the Mitcham's Corner gyratory system

So where do we go from here?

Councillors Jocelyne Scutt and Mike Sargeant welcome that your concerns have had a significant impact. They will speak at the City Deal Assembly and Board so the next round of consultation fully meet your concerns.

Mike Sargeant Elected

Newly elected City Councillor Mike Sargeant fully appreciates the support he received on election day and also the congratulations he received afterwards.

"Labour's approach of listening to residents and working with you to address local concerns struck a chord" says Mike. "I will be on the City Council Environment Committee which looks after planning and transport. I will therefore be able to represent many of the issues that you have raised in the 4 years I have been calling on you."

"We will continue to stay in touch by calling at least once a year" says Mike.

Come and quiz Stagecoach

Key to improving transport locally are buses. Stagecoach Managing Director Andy Campbell will be at North Area Committee, North Cambridge Academy, Arbury Road, Cambridge CB4 2JF 6.30pm 9th June. Come and ask him your questions.

Cambridge has chosen Labour

Thank you for placing your trust in our party

The work restarts for Labour Councillors. We have big immediate challenges:

- To protect your services despite the Government removing all our core funding;
- To win the powers we need to build more local affordable housing for rent;
- To invest in transport and achieve the right plan to tackle damaging peak-time congestion;
- To tackle inequality in Cambridge, and increase the role of residents and community groups in our city.

Thank you from Dave Baigent

Despite Narrow Defeat, Dave is proud of his positive campaign

Whilst clearly it is disappointing to come second, we came close enough to put the Tories on notice that they do not own Peterborough and Cambridgeshire.

Our campaign, particularly the way we took to the streets to meet people and talk about our vision to bring the police closer to the people, gained votes.

We should now look to build on the links that we have made to build our party so that we can become a more effective force throughout the whole area.

PROTECT BRITAIN'S PLACE IN THE WORLD

Daniel Zeichner MP: the case to remain in Europe

"Your vote to remain in the European Union on 23 June is a vote for a stronger economy, rights at work and action on climate change.

Cambridge's thriving research and technology base has benefited from tens of millions of European Union investment. UK households are £3,000 a year better off in the EU. EU action has brought guaranteed paid holiday and maternity and paternity pay.

In our city we fear isolation, not internationalism. Engaging with our neighbours is vital to tackle climate change, the refugee crisis, poverty and human rights violations.

I also think back to my granddad who lost his leg in the trenches. We must never jeopardise peace in a continent that for centuries was ravaged by war. Remaining in the European Union is the right decision for Cambridge and for Britain."
