

# EUROPE: IN OR OUT?

## WHO WANTS BRITAIN IN?

All our friends and allies abroad in Western Europe, the Commonwealth (including Australia, Canada and New Zealand) and the United States now want us to stay in the European Community.

The moderate people in the Labour Party, virtually all Conservatives and Liberals, and millions of others who do not normally take part in active politics. Moderate Labour Ministers, like Roy Jenkins and Shirley Williams, have said they will resign from the Government if it takes Britain out of the Community.

## WHY DO WE WANT IT?

Because we want to protect British jobs and Britain's food supplies. Because we want Britain to have real influence in the world through our membership of the Community

## **WHO WANTS BRITAIN OUT?**

Above all, some of the biggest unions, the far Left of the Labour Party - and others even further Left than that. Also, the Soviet Union - as is clear from the broadcasts on Moscow Radio.

## **WHY DO THEY WANT IT?**

In order to have a better chance of turning this country into a Socialist siege economy with rigid controls, increasingly cut off from the rest of the world.

## **WHOSE SIDE ARE YOU ON?**

The side of Anthony Wedgwood Benn, Michael Foot, Peter Shore, Jack Jones and Clive Jenkins?

Or the side of Margaret Thatcher, Willie Whitelaw, Ted Heath and all the leading moderates in British politics.

# **SAY YES TO EUROPE**

**You can decide the issue on Referendum Day.**

**Vote with the moderate majority to keep  
Britain in the European Community.**
