NOTES

1. **"Houses"**. This term includes permanent dwellings whether traditional or "new tradition". It includes flats of every kind and war-destroyed houses rebuilt but excludes all temporary houses.

2. **Areas**. Houses provided by a local authority are shown against the name of that authority, whether they are erected inside or outside their own area. Houses provided by private builders are shown against the name of the authority in whose area the houses are situated.

3. **New towns**. Houses built for private owners in new towns on sites in which the development corporations have an interest are included in columns 4 and 5 against the name of the local authority or authorities in whose area the new town is situated. The numbers of such houses under construction or completed are also shown separately, in italics, against the name of each new town. Houses built by development corporations are shown in columns 1-3 against the name of each new town and do not appear elsewhere.

4. **Boundary changes**. Where the boundaries of local authority areas have been altered, houses are shown against the local authority in whose area they are now situated.

5. **Housing associations**. The figures given in table II are also included in columns 2 and 3 of table I.
