

**The EU is leading the way in ensuring food production and consumption are sustainable and environmentally friendly – as well as promoting healthy living.**

## **EU LAWS**

-  Promote sustainable food production
-  Boost sustainable food consumption
-  Ensure better technical knowledge on the environmental impacts of food
-  Reduce food waste and losses

**BRITAIN STRONGER  EUROPE**

Promoted by Will Straw on behalf of Britain Stronger in Europe (The In Campaign Ltd), both at St Bride's House, Salisbury Square, London, EC4Y 8EH. Printed by St Ives, One Tudor Street, London, EC4Y 0AH.

**Being in the EU  
means healthier  
and more  
sustainable food  
for UK families**

Our food standards are  
protected by EU law
