With the exception of the few in business people are very poor - Some bad characters, pickpockets &c amongst them -

Jones St - Board School follows n° 21. The recent removal of many houses, Courts & in fact streets has very much altered the character of the locality. The children formerly attending the Board School was evidence of the low character & condition of the people. The School was considered one of special difficulty to the teacher. Now the children are hardly to be distinguished from those of any other school. Courts &c demolished: - Monmouth Court, Regents place, Burnetts Buildings, Church Lane (Drish locality) &c.

In each case other names of the same family are given.
