

Trident Special Event in association with how to: Academy

Thursday 26th November, 7.15 - 8.30pm The Tabernacle, Notting Hill, London

Trident is on the agenda again. Our nuclear submarines are due for replacement at a cost estimated between £15bn and £100bn. But will they make the UK safer?

On Thursday 26th November, Oxford Research Group is hosting an event on Trident: 'arguments for, against and alternatives', in association with the how to: Academy.

Sir Malcolm Rifkind, Brendan O'Hara MP, Matthew Taylor, Dr Patricia M Lewis and Professor Paul Rogers will debate the arguments and controversy surrounding the UK's nuclear deterrent.

Tickets are £20 (£10 concessions; students go free - enter promotional code STUDENT on the [Eventbrite](#) page), and all proceeds will be split 50/50 between Oxford Research Group and the how to: Academy.

Join us for what promises to be a very stimulating debate on this important and highly topical issue.

Thursday 26th November, 7.15 - 8.30 pm.

The Tabernacle, 35 Powis Square, off Portobello Road, London, W11 2AY.
