[ORG Annual Impact Report 2016-2017](#)

ORG has published its annual impact report for 2016-2017. The report explores the crucial roles our programmes played in influencing Middle Eastern peace processes and UK and global security discourse during another year of enormous global turbulence, and explains our commitment and priorities for 2018 and beyond.

Paul Rogers' Monthly Briefing

2017: More than a troubling year?

This end-of-year briefing for 2017 looks at what has been a troubling year for international security. Beyond examining the numerous challenges to global security emerging from 2017, this briefing also points to some grounds for optimism in 2018.

ORG News and Publications

Roundtable on Yemeni Dialogue and Civic Engagement

Working with the Conflict Analysis and Research Centre, ORG's Strategic Peacebuilding Programme organised a successful roundtable at the University of Kent on 01 December. The roundtable provided a space for specialists on Yemen and in peacebuilding to cross fertilise and have a practical interactive discussion around what can be done to improve the peace process through civic engagement. PSG report: Relations between Palestinians across the Green Line

The Palestine Strategy Group (PSG) has published the English translation of its most recent strategic

report: [Relations between Palestinians across the Green Line](#).
The report is the culmination of joint sessions and discussions held over two years between politicians, academics and activists on both sides of the Green Line. [Read more >>](#)
