The numbers of such houses under construction or completed are also shown separately, in italics, against the name of each New Town. Houses built by Development Corporations are shown in columns 1-3 against the name of each New Town and do not appear elsewhere.

4. Boundary Changes. Where the boundaries of local authority areas have been altered, houses are shown against the local authority in whose area they are now situated.

5. Housing Associations. The figures given in Table II are also included in columns 2 and 3 of Table I.

6. Population. Column 7 of Table I shows the population estimate prepared by the Registrar General. The figures include members of the armed forces stationed in each area.

7. Clearance Areas. Column 8 of Table I shows the number of houses in Clearance Orders and Compulsory Purchase Orders made under Part III of the Housing Act, 1957, confirmed by the Minister since 1st January, 1955. Column 9 shows the number of houses demolished under Part III of the Housing Act, 1957.

8. Demolition and Closing Orders, etc. Column 10 of Table I shows the number of unfit houses demolished or closed elsewhere than in Clearance Areas. The figures for the period ended 31st December 1958 have been adjusted to include demolitions of unfit houses owned by local authorities, unfit houses demolished under local Acts and unfit houses included in Unfitness Orders.

9. Change in composition of Regions. As from 1st November, 1958, figures relating to Local Authority areas in Dorset except Poole Borough were transferred from the Southern to the South Western Region.

NOTES

1. **"Houses"**. This term includes permanent dwellings whether traditional or "new tradition". It includes flats of every kind and war-destroyed houses rebuilt but excludes all temporary houses.

2. **Areas**. Houses provided by a local authority are shown against the name of that authority, whether they are erected inside or outside their own area. Houses provided by private builders are shown against the name of the authority in whose area the houses are situated.

3. **New towns**. Houses built for private owners in new towns on sites in which the development corporations have an interest are included in columns 4 and 5 against the name of the local authority or authorities in whose area the new town is situated. The numbers of such houses under construction or completed are also shown separately, in italics, against the name of each new town. Houses built by development corporations are shown in columns 1-3 against the name of each new town and do not appear elsewhere.

4. **Boundary changes**. Where the boundaries of local authority areas have been altered, houses are shown against the local authority in whose area they are now situated.

5. **Housing associations**. The figures given in table II are also included in columns 2 and 3 of table I.

6. **Population**. Column 7 of table I shows the population estimate prepared by the Registrar General. The figures include members of the armed forces stationed in each area.

7. **Clearance areas**. Column 8 of table I shows the number of houses in clearance orders and compulsory purchase orders made under part III of the Housing Act, 1957, confirmed by the Minister since 1st January, 1955. Column 9 shows the number of houses demolished under part III of the Housing Act, 1957.

8. **Demolition and closing orders, etc.** Column 10 of table I shows the number of unfit houses demolished or closed elsewhere than in clearance areas.

9. **Change in composition of regions**. As from 1st April, 1959, figures relating to Poole Borough were transferred from the Southern to the South Western Region.

10. **Change of name**. As from 1st April, 1959, the County of Southampton has been renamed County of Hampshire under an order made under section 59 of the Local Government Act, 1958.
