Dear Mrs Billington Grieg

May I let you know in a few days a out time nd place on June 5 as I am waiting for an answer from a Danish woman whom Ester Graff wishes me to meet and who is over for a fortnight. If she can manage June 5th I must give her lunch and perhaps we could meet in the afternoon at my club University Women 2 Audley Square near Dorchester Hotel as I should be lunching her there

yours sincerely

MI Corbett Ashby
