Dear Miss Strachey

I should have been
pleased to have helped on your
Committee but I shall be
touring all the autumn in a new
play by my husband which
prevents my taking any active
work of that sort, I am not
even able to help for my own

drague the A.F.L. because of
this ~~town~~ but if my services are
the actual dates will be of any
use I shall be delighted to
help in any way I can.

Believe me

Yours faithfully

Wm Moore
