Dear Mr. Harvey

I'm so sorry to
bother you - but please

send me a line

to say what my

past subscription

has been - I don't

remember. Also Cecilia's.

She will not be
able to come to the
Yorks. com^{tee} but

I can give you
up to date information.

The Sub. arranged
that Mr. Hodgett

should go in December
to Scarborough. Then
events were quickened
up by the resignation
of the whole Scarboro'
com^{tee}, who met &
dissolved themselves!
Tomorrow night they
will have a meeting of
the whole branch, to

explain their action &
the whole situation.

Fortunately Mrs. Hodgett's
other engagements fell
through, & she is going
up to Scarborough today
& will be on the spot
to investigate everything
& try to patch things up.
The rows are evidently
considerable. I have sent

her all the information
about the situation that
I could & she is
the best person to deal
with the branch I
feel sure.

If you want to
communicate with her,

a letter addressed

" " immediate "

% W^m: Allan

75 Norwood St.

Scarborough "

would reach her quickest.

W^m: Allan is pro tem

Sec. since W^m: Plenton
resigned a while ago.

W^m: Hodgett would
be glad of any
information you
could send to help
her.

Yours affec.

Dorothy Howard.

Just off to a constituency
bazaar!
