Berlin, July 22. 08.

I want to inform you, that I shall probably leave  
Berlin on the 30<sup>th</sup> of this month to go to Munich and  
stay there as in the neighborhood till I hear from you  
about your quarters and the possibility of getting a room  
there for myself. I should join you as soon as that is  
settled, so please let me know at once and address Munich  
Hauptpostamt Lagernd, if you write after the 27<sup>th</sup> of  
July. That will be safest, because I can order letters to be sent  
after me from there wherever I go. Herzlichen Gruss!  
Ad. Cotta.
