Dear Miss Palliser

I am glad to hear that the Sydenham Ladies are waking up to the Suffrage; & I shall be very pleased to go to speak to them on March 2nd.

They made me an Honorary Member many years ago, but I do not get over to meet them, above once in 2 years time, it is so far off.

My own Society, the Horwood Ladies Literary I founded 26 years ago, & that is why the Sydenham Ladies adopted me.
I am Yours sincerely C. C. Stopes

P.S. Perhaps I had better
send on enclosed letter.
I have had directions
from the Secretary about
the East St Pancras Meeting
on 10th inst.

I am also to speak to
the men's Club on the
28th inst at Kentish Town.
I shall be glad to know
any data about
the Newcastle Meeting.
On the 10th inst at
Committee Meeting will do.
