Dear Miss Stacey

It would have been fun to preach about the Real  
the Ideal at one of your At Homes, but I'm afraid I can't. You see, I shall  
have to come to London now for N.U. Executives & I can't afford to be  
more than the absolutely necessary time away—As they are on Thursdays,  
it would back up a whole week for me to be in London on a Tuesday—  
I must economize strength too, till I see how the dear paper goes. I do  
want it to be a good 'un.

Yours sincerely

H. M. Swanwick
