Stey (Mrs) Southend - 8/10/1907

Dear Mrs Stey -

Thanks for

sending form - will you
kindly fill, as it seems a bit
vague - I pay direct taxes
& am perfectly willing to repay
but can't, or should have
the backings -

I found I could not sell
papers, so have given away.
but I see the proprietors offer
some for distribution, so shall

write for some -

I wish your At Homes had
been Wednesdays instead
of Thurs: as former is our trip
day from here but shall try
d manage them too - I
should like to come up for
Nov: 6th meetings at Cascton Hall.

I have not been doing
very well - I found I depended
some of the women so here
to go carefully -

Mrs. Bell who has been on
the Board of Guardians for
some years, is putting up for

Council - I enclose you one
of our papers to show you
how they take it "Isn't it
disgusting?"

Yours very truly
Rose L. H. S.
