PLEASE ADDRESS REPLY TO—

Dear T B-S.

I am so glad
you will speak on
Saturday will be a good day but, anyhow
we must keep to the date
May 3rd
July 14th. I hope

I am sorry you have to see Miss Baker
again & hope it is only a matter of treat-
ment

Yes, I might be able to get to you.
I am working & in about 3 weeks' time
shall be further immersed in the transformation

of this house into 2 mansions. It will be
hellish while the workmen are here. The

moving of furniture etc. up & down

hereabouts will be worse than an ordinary

removal. We have no help at all

neither my friend nor I are fit for

strenuous labour. However, I will get

to you if I can.

Your sincere

Stella Newsome
