DURBINS,

GUILDFORD.

My dear Pippa

I've only a minute
to catch the post. Helen
Dudley is coming on Sat. & is
very anxious to see you. I
feel very hard but I don't think
I can manage to put Pamela
up until Virginia (Leonard) go
There'd be no proper room for
her and I don't think the
servants could quite manage
it so would she come on
Monday. I feel very hard about

it. But I hope she'll understand.

GUILDFO
DURBIN
I will take
infinite care of you & your
temperature. I'm in good luck
taking it & that's half the
battle.

V. is here for Sunday. I need
your prayers.

Yrs. Roger.
