Dear Madam,

Opening of the Legal Profession to Women, Loan Fund.

My Committee believe that as a contributor to the above Fund, (the administration of which was entrusted to this Society) you will be interested to hear that the first beneficiary, Miss Sybil Campbell, was called to the Bar in November last and conducted and won her first case at the beginning of this month in the Wolverhampton County Court.

Yours faithfully,

P. Strachey

Ms

Secretary.

The Lady Emmott, *J.P.*
