LUCKNOW HOUSE,

Wednesday

My dear Pippa

I hope you got my  
wire in reply to yours saying  
we shall be delighted to  
have you.

I suggested the 1 p.m. train  
from Waterloo because if  
you come by that you will  
be in time to go (if it's fine)

to some "Sports" the 5<sup>2</sup> are  
giving.

Or if that train doesn't suit  
the ~~1:50~~<sup>2:10</sup> will get you here  
in time for tea; the next one  
- 5.50 doesn't get in till  
past 6, & if you could manage  
an earlier one it wd be kind  
to our cook, who had been  
promised an evening out to  
go to the 5<sup>2</sup> Concert!

I'm afraid you won't find  
Grace down-stairs for a day  
or two, but I will look after  
you.

Yours affectionate brother  
Dick
