Dear Madam,

Will you do your utmost to bring to the notice of your members the invitation of the National Union to all Suffragists to attend afternoon service in Westminster Abbey on Monday, Feb. 15th., the day before the opening of Parliament, in order to make that service in effect one of intercession for the furtherance of our cause during the present session of Parliament.

We intend to assemble in Dean's Yard, Westminster, half an hour before the 3 o'clock service begins and then proceed together to the Abbey.

Will you kindly insert a notice of this in your local press.

Yours faithfully,

MARGERY I. CORBETT.
