Dear Miss Palliser,

I am very sorry
to say that our
Committee for
Womens' suffrage
is & has been doing
nothing simply
because we can
find none to
undertake the duties
of Secretary.

I was appointed

Treasurer

I have tried all
that I possibly
could to get a
suitable person
to be Secretary but
in vain, or in the
present indiffer-
ent attitude of the
community generally
I have come to
the conclusion
that the time is
not yet for Lincoln
to act satisfactorily
for Warrens support.

I think it is a pity
therefore you should
trouble to send
the papers, for we
will take any
responsibility. I
think it should be
a younger person
than myself to
act in this matter.
I am very sorry
that I have to
confess ourselves
so chicken-hearted
but I will still be
all the look out.

For a Secretary
if she can be found
will be a great help
you know.

Yours faithfully
Jessie Carlisle

Not having a
Secretary I have
not suggested having
any Committee
for some time
& it has thought
useless to ask for
subscriptions. I have
in hand what was collected
at the inaugural Meeting
