Dear Madame

Will you very kindly second my
two Resolutions at the Hull Council
meeting? I enclose the text & shall
be very glad if you will support
me. By dint of having these three
Resolutions - Mr Abington is very two -
on the Agenda, we shall at any rate
have a fuller discussion of the
whole situation & let us hope that
one of them may at any rate be
carried.

Believe me, Yours truly
Mary A. Ward

To Mrs Stokes.
