Dear Mr. McIlquham,  
We are now sending out  
the formal reminders for  
subscriptions due to the above  
Society, & I think you will like  
to be reminded that the 5/-  
you kindly subscribe to our  
funds is now due. Will you  
excuse my reminding you at  
the same time that your kind  
subscriptions was not paid

last year. I am sure that you will not mind my mentioning this as you know from experience how valuable all contributions are for carrying on the work in which we are engaged.

We are just entering on an Education Campaign & there is a good deal of printing to be done in connection with it as shown from enclosed leaflets.

I hoped very much, as Mr. Elmy kindly suggested,

that many of the Subscribers to the Emancipation Union would transfer their subscriptions to our Society - we have had 2 donations of £5, but nothing of the nature of subscriptions.

Please excuse my troubling you with these details but I know that you think the work is important.

Hoping you are well,  
I am,

Yours sincerely  
Annie Leigh Browne
