

about Mrs Pelham Lawrence AL/1222 53

Your letter of 29th I'm afraid has
not been acknowledged? I am so
sorry - have been away a good deal
& it was not forwarded - by mistake
of course. I'm afraid you've sent in
your list of signatures - I'm probably
too late all round. Perhaps you may
up & say? - Flaxman H605. Of course
I'd like to help. Please forgive my
scrawl. Cecily Hambley
