That deputation was when
Asquith was in the Home Office I think -
we saw him there - Mr. A. you will
remember sat behind his chair. He soon
afterwards was P. M. - so I think it was
in 1907 - I remember it thus -

Oct - 1905 C. Parkhurst was imprisoned
in Manchester. 1906 June we saw C. Baumann
& Mr. Park & I parted company in the
I.L.P. committee that railing knaves
in the Ladies gallery in 1906. Didnt C. Baumann
die in Autumn of 1907? for we
saw Asquith in coldish foggy weather
I think - I remember we wore warm frocks
on our deputation - I suppose Asquith
because P. M. after C. B. death?

I wish I could remember exactly. How peaceful the most fiery of these days seem now!

Darrest Kelley you are so sweet to us - we
