14<sup>th</sup> June

My dear Pippa

I came out here  
on Thursday, my knee having  
sufficiently recovered to allow  
me to go to work again.

There is not very much to  
do and I spend most of  
my time in counting the days  
to the holidays. I chuckle  
when I think of the excite.

ment you will have next  
Monday - I am living in  
two rooms of the subordinates  
quarters till I go - When I  
come back I shall have a  
house - There has been a  
great change in the weather  
this week; there has been a  
good deal of rain and now  
it is quite cool, which is a  
blessing -

I went in to Asansol for  
Sunday; Herbert and Lewis

came to Drysdale's for the  
day - They both seem pretty  
fit but wishing they could  
go home with me.

Do you realize that you  
will only get one more  
letter after this? I can't  
quite -

An reservoir

Yr loving

Ralph
